....together we can make a difference!

The Amani Initiative Quarter 2 of 2022 Score Card presents quantitative performance across the 4 strategic thematic areas and institutional enablers within the period of April-June, 2022. The activities are dedicated towards our mission of prevention and response to harmful practices against children and women through low cost high impact community led solutions.

Special credit to the partners we directly worked with to achieve these milestones who included the following:-

- Peace Corps Uganda
- Aga Khan Foundation
- Edify Uganda
- Feminature
- MEMPROW
- Infectious Disease Institute
- Girls First Fund
- CEHURD

- The Hunger Project Uganda
- Movement for Community Led Development- Uganda Chapter
- Touch the Heart Uganda.
- SIHA Network
- Arua City Council
- Maracha District Local Government
- Arua District Local Government
